SCOTese November 2012: New Standards for Training Packages Endorsed

Standards Framework

- **One** standard that defines Training Packages as a product
- **Two** standards for compliance with NSSC policies to support implementation of the standards framework
- **Nine** standards that define the components of a Training Package

Standard 1

Training Packages consist of the following:

1. NSSC endorsed components:

- *units of competency;*
- *assessment requirements (associated with each unit of competency);*
- *qualifications; and*
- *credit arrangements.*

2. One or more quality assured companion volumes.
