North Metropolitan Education Region

School Snapshot

- * K-12 school
- * 200km from nearest city
- * Successful in 2009 DHS funding review
- * 206 primary, 99 lower secondary, 28 Year 11&12
- * ICSEA 979
- * Growing senior secondary population

Current VET structure

- * **Choice of 4 pathways** – Certificate 2 in Construction, Business and Marine Tourism; ATAR; other pathways by negotiation
- * **Work based learning** – Workplace Learning (ADWPL), Year 10 Work experience camp in Perth
- * **Strong career culture** – Year 7-10 Career studies, Year 11-12 Career And Enterprise WACE course, Individualised career planning meetings
- * **Industry partnerships** – Local government, large building companies

VET Student Outcomes

- * **WACE attainment** – Increased numbers of students achieving WACE
- * **VET attainment** – Increased numbers of students completing Certificate 2 qualifications
- * **Post-school transitions** – Increased numbers of students in sustained training and/or employment
- * **Retention** - Growing secondary numbers
- * **Community growth** – Increased number of students employed in local industry

Planning for VET

- * **Regional industry** – Curtin University employment strategy, ABS, CCI
- * **Employer potential** – qualifications, work placement opportunities
- * **Government** – PIQL, SPOL, industry shortage
- * **Environment** – Marine and National parks, Super Town growth
- * **RTOs** – scope, profile funding, delivery mode

Curriculum

- * **WACE courses** – compulsory English, Mathematics and Career & Enterprise; options to support VET pathways
- * **Workplace Learning** – minimum 110 hours per year; compulsory for all work ready VET students
- * **Audit** – whole school (K-12) career development focus

Innovative practices

- * **3 day school week** – 1 day training and 1 day workplace learning
- * **Learning area links** – Construction and Mathematics; English and Career & Enterprise
- * **Career development programs** – sequenced delivery Yr 7 - 12

Jodie Fitzsimmons

Challenges

- * **School classification** – DHS perception
- * **Marginal numbers** – RTO partners with long term vision
- * **Staff movement** – affecting direction and delivery
- * **Economic growth** – business growth V population growth
- * **Careers** – learning area, national curriculum
- * **OLNA/WACE** – suitable engaging pathways

Changes

- * **Qualifications offered** – sustainability
- * **Work placements** – block approach
- * **Funding** – benefits of Year 10 VET?
- * **Delivery mode** – auspicing preference
- * **School name change** – community perceptions about ATAR

Monitoring success

- * **Industry** – employer feedback, industry networks, CCI membership, ABS
- * **Community** – satisfaction survey, parent feedback
- * **Students** – individual pathway plans, WACE tracker, post school tracking
- * **School** – review processes, ABCD audit

Suggestions

- * Start small and build
- * Incorporate VET in school Business and Operational Plans
- * Value the VET Coordinator role and time allocation
- * Understand the benefits of career development programs
- * Build strong partnerships with industry and business community
