6 reasons to choose Futura Group

Our resources are Right Way accredited

Futura Group Resources and Support Tools were the first to be granted Right Way accreditation by Service Skills Australia.

Our FREE support tools will save you thousands of hours

Futura Group’s VET experts spend at least 30 hours per unit developing training support materials including pre-built assessments. All support materials are delivered in editable formats (Word, Excel) making it easy to formulate your own supplementary assessments.

eLearning provides flexible delivery options

With Futura Group resources, your training organisation can provide traditional learning, blended or 100% online (including distance education) courses. eLearning also allows you to easily monitor student progress and generate useful reports in just a few clicks.

You can save thousands of \$\$\$

Competitive pricing and large order discounts go hand in hand with reduced costs through streamlined delivery.

Expertly reviewed & industry relevant resources

Educational, industry experts contribute to, review and verify all training material prior to publication. Our training resources are continually reviewed and updated to ensure that they meet the needs of industry.

Decades of experience

Futura Group has 20+ years VET experience and works with RTOs, High Schools, Colleges and TAFEs around Australia to articulate training program strategies and delivery.
