

# Full Colour Workbooks

Our professionally designed workbooks are now available as vibrant, **full colour prints** or as **digital editions**, compatible with all smart devices.

Futura Group's workbooks are nationally recognised, professionally designed & authored, simple to use, and feature formative assessment pages for easy marking and consistent delivery.

Futura Group Workbooks are available for a wide range of SIT qualifications - from Certificate II to Advanced Diploma - across Commercial Cookery, Food and Beverage, Accommodation Services, Patisserie, Tourism, and Event Management.

“Using eCoach and workbooks in tandem is a win-win for students, as quality content can be accessed through the most suitable format to the individual learner's needs.”

*Pierre Laurenson, Lead Trainer at ATTC*

## Interested in eLearning?

Use our online resources exclusively, or in tandem with our printed workbooks to cater to different learning styles.

Our eLearning platform provides an engaging and vibrant learning experience for students that can be used anywhere, on any device. Interactive challenges, checkpoints, videos, animations, and virtual workplaces help contextualise learning, providing students with a fun and intuitive learning environment.
