

## IBSA's comprehensive learning and assessment resources are user friendly, with flexible delivery options to suit any training organisation.

Looking for excellent resources that enable best practice teaching and learning, and facilitate compliance? Our team of expert content creators produce resources to suit all delivery styles, including print-based student workbooks (with self-print options available), digital trainer guides and e-learning solutions. Deliver your best training with IBSA's range of comprehensive, easy to use learning and assessment resources, and help your students get the most out of their learning experience.

Packed with extras, our extensive range of support materials include assessment task mapping, templates, engaging and entertaining videos - everything an RTO will need to customise training for their students.

Samples are available for every product, giving you the opportunity to see firsthand how IBSA's resources can work for you.

Visit the IBSA online store at [ibsa.org.au/store](https://ibsa.org.au/store) to make your purchase. Looking to buy in bulk, or interested in our e-Learning or Digital Self-Print solutions? Contact [customerservice@ibsa.org.au](mailto:customerservice@ibsa.org.au) or call **03 9815 7000** to speak to an Account Manager.

“ILSC uses IBSA resources as a first choice. Trainers and students find them well presented, current and well resourced. The online resources are very flexible and integrate with our own Moodle very easily. Using IBSA gives us confidence we are appropriately benchmarked to the AQF and that we are compliant.”  
*ILSC Education Group*

### Student Workbooks

Help your students get the most from their training with self-paced activities, real-life case studies, illustrative scenarios and information on further reading. Developed with VET experts and industry representatives, IBSA's Student Workbooks are designed to help trainers give their students excellent learning outcomes.

### Digital Facilitator Guides

Be fully prepared with session plans, templates and presentations, as well as fully mapped assessment plans, tasks and marking guides. These resources are provided as Word documents, making it easy for trainers to contextualise them to suit any training environment.

### Digital Self-Print Licences

Save time and freight costs by printing your own IBSA Student Workbooks on demand with our Digital Self-Print Licence. Best suited for trainers with repeat requirements for resources, our Self-Print Licences allow you to print only what you need, when you need it.

### e-Learning

Looking for an elegant online solution? IBSA's e-Learning units give students access to learning content with interactive activities, case studies, video content and more, that can be completed anywhere, anytime. Use IBSA's LMS or bring your own!
