

GOVERNMENT-FUNDED STUDENTS & COURSES 2014

This infographic provides a snapshot of Australia's government-funded vocational education and training (VET) system. Australia's government-funded VET system is broadly defined as all activity delivered by government providers and government-funded activity delivered by community education and other registered providers.

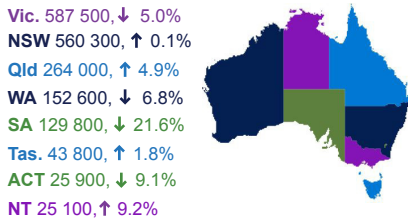

How many students were enrolled in VET, 2014 and 2013?

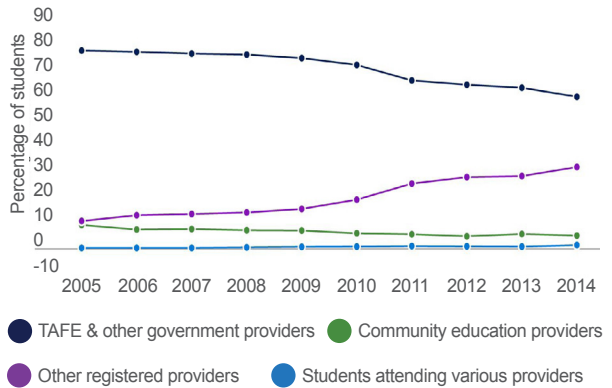

Total AQF program completions

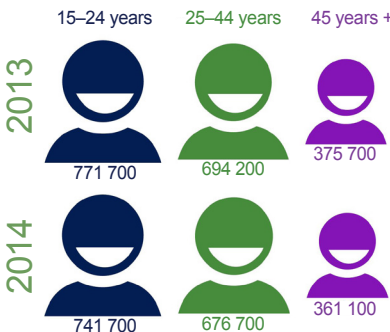

Where students studied in 2014, and the percentage difference to 2013

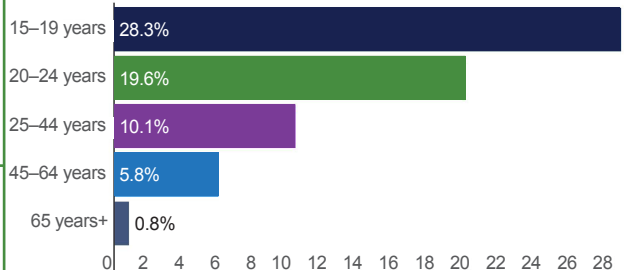

Percentage of students by provider 2005–14

Student age groups

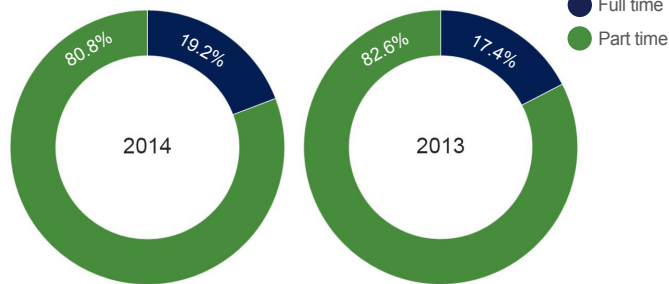

Participation rates for 2014

How many people aged 15–64 years participated in VET in 2014?

Full-time and part-time students

Hours of delivery

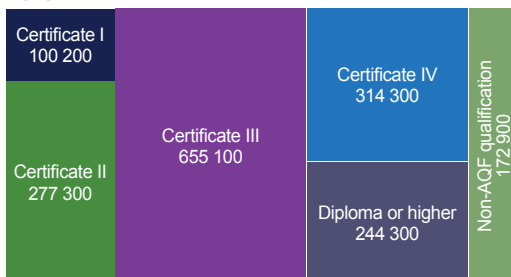

What were they studying?

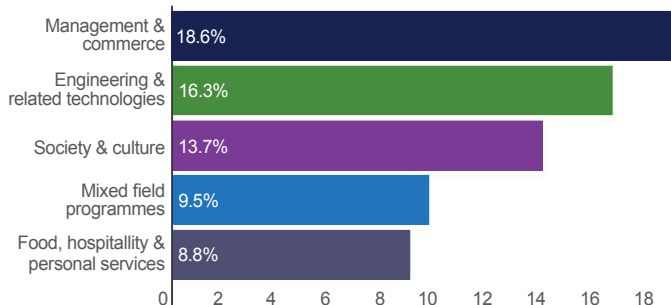

2014

2013

Top 5 fields of education for students studying in 2014

Student numbers for top 5 industry skills councils in 2014

Innovation & Business

Community Services & Health

Services

Construction & Property Services

AgriFood
