Literacy

TAELLN411 Address Adult Language Literacy and Numeracy Skills

This unit introduces trainers and assessors to core language, literacy and numeracy issues in training and assessment. The program covers the knowledge required to recognise the core language, literacy and numeracy demands of training and assessment, and how to tailor training and assessment to suit individual skill levels, including accessing relevant support resources. This unit is proposed to become a compulsory unit for all trainers and assessors.

DELIVERY METHODS

Facilitated Workshops

Experienced industry professionals use all the principles of adult learning to deliver interesting and innovative training leaving participants motivated and enthused to use the new tools and techniques in their working environment.

Online / Distance Delivery

Here at The Pivot Institute we are leaders in the field with our own Pivot Online Learning System (POLS) which provides participants with all content and resources and online classroom opportunities to cover the content in the Diploma. We support online learning by also providing quality print based resources and significant ongoing support and contact.

Distance-based Delivery

Self-paced workbooks are provided together with regular facilitator contact.
